

Veteran & Military Services Program

Residential substance use and mental health treatment for veterans. Our holistic, client-centered, veteran-specific programming focuses on the unique needs of veterans seeking treatment for substance use concerns. We support the health and well-being of our veterans and their families.

Veteran Coordinator & Treatment Team

Specialized team of experts and medical staff dedicated to supporting veterans.

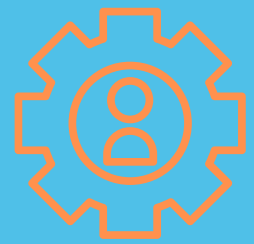

Veteran Specific Assessment

Specialized assessments for veterans to better understand their history and promote a safe environment for them.

Residential in a Safe Environment

Located at our Edward D. Miller Center in Lake Ronkonkoma.

Individualized Treatment Planning & Services

Trauma-focused treatment including, individual counseling, group counseling, social/recreational activities, and skill development.
